How to apply

Entry Requirements

To be admitted into a program of study offered by Trebas Institute, you must:

- ▶ Posses an Ontario Secondary School Diploma (grade 12) or its equivalent, or have mature student status (18 years of age or older)
- ▶ Provide a social insurance number and a valid government-issued photo ID
- ▶ Participate in an informal interview with an admissions counselor

Candidates may be asked to provide additional information, including a portfolio or several samples of work in your chosen field to determine your suitability for admission. If you do not have prior experience or access to samples, we ask for a 500-word essay/letter of intent detailing your accomplishments, future goals and objectives.

Possession of the minimum admissions requirements does not, in itself, guarantee admission.

Please note: You may still qualify if you are not a high school graduate, but you may be asked to undergo a Wonderlic Basic Skills assessment in both English and Math.
